REMARKS / ARGUMENTS

In an effort to expedited consideration of this application, Claim 9 has been amended to incorporated the substance of Claim 10, and dependent claims 10 has been canceled. Since Claims 9 and 12 are the only claims currently under rejection, and since claim 10 was previously objected to, the claims as amended are believed to be allowable.

The claims as amended are believed to be allowable and the application is now believed to be in condition for allowance. Issuance of a Notice of Allowance in response to this amendment is therefore courteously solicited.

Respectfully Submitted:
